Clash Looms Between Top Industrial Teams

Two of the Industrial League's leading pitchers, Al Coast of Lovelady Hardware and Dick Bowman of National Supply, knocked heads for about an hour Monday evening, only to find that they have to do it all again next Monday.

Winding up the first round of play in the league, the two teams met in what was billed as a "crucial" and National Supply knocked over the undefeated Lovelady team to deadlock the loop lead.

To straighten out this little affair, the two teams will meet again Monday evening in a sudden death clash to determine the first round winner.

Coast and Bowman are booked to resume their battle in the fracas.

WEDNESDAY'S GAMES
 City Employees (UPWA) chalked up their first victory in league play by downing their cellar-mates, the National Electric Products, 10 to 3.

The loss was the seventh straight for the newly formed National Electric team. Moshier for UPWA allowed the National Electric batters only 5 hits while the City Employees were collecting nine from the pitching of Benson.

Line Score:
 National Supply . . . 040 302 0-10
 National Electric . . . 000 003 0-3

National Supply took an extra-inning game from Harvey Machine in the mid-week tilts to run their record to six wins and one loss.

Taking a 5-3 tilt from the machinists left last year's champs one game behind the loop-leading Lovelady Hardware at that time. They met Monday night to settle that score.

Spud Murphy's team got 22 men on base while scoring only five.

Line Score:
 National Supply . . . 102 000 02-5
 Harvey Machine . . . 000 200 10-3

THURSDAY'S GAMES
 The boys from GP coasted to a 7-2 victory over Potters Local 218 after making one run in the first and 2 in each of the next three innings while the Potters Local boys could collect practically nothing.

Double plays in both the sixth and seventh innings stopped any possible scoring threats for the losers.

Dick Morgan was the winning pitcher while Don Wolford, who pitched five-hit ball, was the loser.

Line Score:
 Potters Local . . . 110 100 0-3
 General Petroleum . . . 322 200 0-7

League-leading Lovelady Hardware, playing to keep that first defeat from their record, slipped by Harbor Hospital 5 to 1 in Thursday's nightcap.

Bucky Kubin, Frank Schmidt, Dave Jacobs, and Ed Egerer scored for the winners to open the game, and Dick McInturf followed in the third inning with the final tally.

Harbor Hospital's score didn't come until the final inning.

Line Score:
 Harbor Hospital . . . 000 000 1-1
 Lovelady Hardware . . . 401 000 0-5

FRIDAY'S GAMES
 Harvey Machine ran their winless record to 0-2 by squeezing a 7 to 6 victory from City Employees in the Friday night opener.

A hot first inning gave Harvey Machine the game. The first four men scored, the fifth grounded out, and the next two scored before the UPWA could get the side retired. Six runs on three singles, a fielder's choice, and a home run gave the winners a fast start.

UPWA picked up two runs in the last half of the seventh to come within one run of the winners, but were not able to catch them.

Line Score:
 UPWA . . . 000 220 2-4
 Harvey Machine . . . 000 100 0-7

Gene Baird, lead-off man for American Rockwool, got himself a homerun in the last half of the sixth inning to break a 2-2 deadlock with the Steelworkers in Friday's second game and win a ballgame for his team.

His only hit of the game, the homer gave the Rockwool team a 3-2 advantage over Steelworkers which they protected in the first of the seventh to win.

Line Score:
 Steelworkers . . . 010 001 0-2
 American Rockwool . . . 000 201 X-3

MONDAY'S GAMES
 Spud Murphy's boys, the National Supply team, went out to get another home on the Torrance Herald Trophy Monday evening by pulling up alongside the high-flying Lovelady Hardware.

Going into the game with one defeat and six victories, the National Supply team eked out at 2 to 1 win from the unde-

feated Lovelady team, to even up the standings at seven wins and one loss each.

National Supply's Dick Bowman and Lovelady's Al Coast each pitched a 2-hit game. Bowman spoiled Coast's no-hit game in the fourth with the first hit of the game, Dick Brookhaus collected a single in the same inning for the only two hits allowed by Coast.

Line Score:
 Lovelady Hardware . . . 000 010 0-1
 National Supply . . . 000 200 2-2

General Petroleum — a team which started out like a ball of fire — had to pick up two runs in the first half of the eighth to win out over the never-victorious National Electric team in Monday's second game. They finally wound up with a 5-3 margin in the extra-inning tilt.

Electric's Hamilton was king at the bat for the evening, collecting three for four.

Line Score:
 General Petroleum . . . 000 100 22-5
 National Electric . . . 000 001 20-3

TUESDAY'S GAMES
 American Rockwool picked up their third game in eight tries by downing Potters Local in a 4-to-2 contest.

Hank Camou, pitching for the winners, allowed only one hit, that one a single in the third inning.

Line score:
 American Rockwool . . . 100 300 0-4
 Potters Local . . . 200 000 0-2

Steelworkers raised their game average to .500 per cent by downing Harbor Hospital 4 to 0.

Ortega, pitching for Steelworkers, let the Hospital team down with four hits while his teammates were getting six.

Line score:
 Steelworkers . . . 002 001 1-4
 Harbor Hospital . . . 000 000 0-0
